THE BAZAAR.

The Ladies' Aid Society of St. Paul's Presbyterian Church took advantage of Thursday being exhibition day, and held a bazaar in aid of the funds of the church. The bazaar was held in the church which had been divested of pulpit, pews, etc. and fixed up as a sale shop for the occasion. A large tent was erected at the church door in which refreshments were served during the afternoon and evening and from the proceeds of which a handsome sum was realized. The bazaar was opened at 3 o'clock p.m. by Mr. D. H. Macdowall, M. P., who made a neat speech appropriate to the occasion; Col. Sproat and the Hon. L. Clarke were also present and each made a few well chosen remarks. The ladies of the congregation had, during the summer, manufactured a great lot of useful articles of various kinds which were now offered for sale and which found ready purchasers. So well was the bazaar patronized that early in the evening every article had been disposed of. There was one good feature about this bazaar, the articles offered for sale were all valuable, and were sold at fair prices, the purchaser getting the value of his money. The gross proceeds were about \$400, which after defraying expenses will net the handsome sum of \$350 which will be devoted to church work. The fact of the agricultural exhibition having been held this day brought a large number of people to town, many of whom also patronized the bazaar. Altogether it was an immense success, and the ladies are deserving of the congratulations and best thanks of the congregation and church in whose behalf they worked so well.

A LONG-STANDING CASE SETTLED.

T. W. Hunt, Port Hope, Ont., writes: I was a sufferer from a long-standing case of catarrh and being well up in years (72) hardly expected to ever obtain anything that would give me material or permanent relief. At the time of receiving the Nasal Balm I was very bad with catarrh, but take great pleasure in stating that on the second application I received wonderful relief and its effect was pleasant, soothing and healing. It acted like magic and is worth ten times its cost for the immediate relief it gives. I feel confident the second bottle will effect a permanent cure. I have recommended Nasal Balm for cold in the head and in every case it acted like a charm.

Wignore's Great Clearing Sale is still going on. Bargains are to be had every day.

On the return trip of the party from Armadale Mission nothing of any account occurred until within a few miles of the river when Dr. Porter, who was leading, sighted a big bear on the trail. He pulled up to give Messrs. Hurd and Burns warning and make ready for the chase, but before the latter gentlemen came up Mr. Bruin had sighted the doctor and taken to the bluff. A chase was made but it was short on account of darkness coming on and the party wanting to get across the river before sundown. They regretted very much the lateness of the day, for a "bar" would be quite a trophy to pack into town.

A smart "Alex" from Clark's Crossing was in town yesterday at the fair and met one of Prince Albert's big men at the sale, whom the former took for the editor of the TIMES and gave him a "setting out" about having said something detrimental to Clark's Crossing, to the amusement of the bystanders, and the amazement of our worthy townsman. In the evening the editor of the TIMES was in the telegraph office when in came Mr. Smarty and during the conversation told those present how he "went for the raw-boned editor." The poor deluded mortal left the telegraph office without being made any the wiser and we expect he will go back and tell the "Crossers" how he "squicked" the TIMES.

Mr. Chas. Mair arrived from Muskeg Lake last Sunday. Mrs. Mair and family will remain at the lake for some time yet.

Mr. Wm. Tait, who has been visiting his friends in the east for the last two months, arrived back in town on Wednesday last.

Wm. Drain has sold the balance of the fine band of horses which he brought in from Montana last spring to Messrs. J. B. and R. Mack.

Harvesting was finished by the middle of August along the South Branch west from Batoche and stacking was all done by the twentieth.

Mr. A. McNeil, clerk in the I. D., was in town this week and is accompanying Mr. McKenzie on his tour of paying the Indians their annuities.

The annual Missionary Meeting of the Methodist Church of Prince Albert will be held on Sunday, the 21st inst., and the evenings of the 22nd, 23rd and 24th.

By the new post office regulations ordinary stamps will be taken for registration in addition to the regular rate. This will be a great convenience to the country.

There will be no service in the Methodist Church on Sunday week, the 14th inst., as the pastor, the Rev. Mr. Howard, will be absent at Saskatoon attending Missionary Meetings.

We would wish that those farmers who experimented in the different kinds of wheat this year would please send us in a report of the result of their experiments; we would like to get the dates when sown headed and ripened and also the yield.

As will be seen by an advertisement in another column the Mounted Police are asking for tenders for large quantities of oats, potatoes, wood, charcoal, etc., to be delivered at the barracks here and at Batoche. This is a good chance for the farmers to get rid of their surplus oats. Tenders are also asked for, for the erection of transport sheds at the barracks here.

Dr. Porter and party arrived back from Mistowassiss on Sunday evening. The doctor had been called to attend the Rev. John McKay, whom he found was suffering from dropsy of the heart and lungs, but who was very much better when the doctor left on Saturday.

The Rev. A. Peters, of Saskatoon, will preach here on the 21st and a public meeting will be held on Monday evening at 8 o'clock when several addresses will be given regarding the work of the church in the various mission fields. A collection will be taken up at the close of each service. A cordial invitation is extended to all.

We have great pleasure in congratulating Capt. Young on his promotion to the rank of major in the Canadian Militia. The gallant Major Young is an old British officer, having served with the 50th Regiment in the Indian mutiny and also in the Maori rebellion in New Zealand and was also a captain in the Second Expedition.

ADVICE TO MOTHERS.
Are you disturbed at night and broken up by your rest by a sick child suffering and crying with pain of coming teeth? If so, send at once and get a bottle of Mrs. WIGMORE'S SOUTHERN SYRUP FOR CHILDREN'S TEETH. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures diarrhea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone to a delicate frame. Whole system. Mrs. WIGMORE'S SOUTHERN SYRUP FOR CHILDREN'S TEETH is pleasant to the taste, and is the prescription of one of the oldest and best families of Physicians in the U. S., and is for sale by all druggists throughout the world. Price 50c. a bottle.

THE EXHIBITION

Those who have attended the annual exhibitions of the Lorne Agricultural Society for the past four or five years will have noticed a marked improvement each year; but the exhibition held this week was by far the most successful held so far, and would have given outsiders a fair idea of the capabilities of the district. It is very much to be regretted that owing to our distance from the railway, people from the east are unable to visit our Shows and we are unable to send exhibits to the eastern provinces and other countries. A good exhibit of the products of a district is the best advertisement that that district could possibly have, for the reason that it is the most reliable. The exhibit of thoroughbred and grade cattle shows a great improvement over former years, there being some herds on exhibition which would take a first place anywhere in Canada. Some of our farmers have expended large sums of money in improving their stock and they should not be discouraged if, for some time, they get no adequate return. The display of roots and cereals at this show demonstrates that the country is well adapted both for Agriculture and Horticulture, while the dairy products on exhibition could not be surpassed in quality. We are pleased to note the increased interest taken in our annual Fair by the farmers, and others, an interest which we earnestly hope will be kept up and which will result to the advantage of the district. It is rather unfortunate that there is no suitable building in the town in which these exhibitions can be held; the Agricultural Society should make an effort to secure land while prices are low and erect a suitable hall; we feel confident that if the matter were taken in hand little if any, difficulty would be experienced in its accomplishment. We congratulate the Society and its officers on the great success of the exhibition. A full report will appear in our next issue.

We are happy to state that the difficulty which arose between the Town authorities and the Mounted Police owing to the arrest of the town

constable by the latter and which at one time threatened to come before the courts, has been amicably and satisfactorily settled. The Mounted Police will not hereafter interfere in matters over which the town has jurisdiction unless called upon to do so. This is as it should be, and will tend to preserve the good feeling existing between Police and citizens.

The Winnipeg Call says:—

There is probably no portion of the North-West Territories so badly in want of railway facilities as the southern portion of Assiniboia. During the past few years that district has been filling up with settlers who are doing well on the lands which they have taken up and for whom a good future is no doubt in store. The natural facilities are favorable to success, but up to the present the lack of railway communication has stood in the way of their securing a ready market. They have frequently made known their wants and have anxiously looked for relief.

The above language might be more truthfully used with regard to the District of Saskatchewan; there is no portion of Canada more in need of railway facilities than this district and the *Call* should know it, and no district has a better right to expect relief from the government in that respect than ours.

The Hudson Bay Railway scheme has fallen through and it is not likely that it will be revived for some time. It is to be regretted that the Company did not receive such assistance from the government of the Province of Manitoba as would have enabled them to prosecute the construction of that road to a successful and speedy end. The project of building a railway to Hudson's Bay is regarded by many people as Utopian, but we believe that it is only a question of time when the carrying trade of the North-West will be done through that route. The country may not have reached that stage of development and prosperity that would warrant the opening up of the H. B. route, but as the volume of trade increases and our exports become great, as they surely must, the necessity for that our natural outlet will become more apparent.

The corporation have fitted up one of the rooms in rear of the Town Hall for a prison. There are three cells all very strongly and securely finished, but they lack the bunks which are a great necessity in a cell and which should be put in.

Mr. R. S. McKenzie, wife and family of Duck Lake were in town on Monday. This is the first time Mrs. McKenzie has been in Prince Albert since her arrival in the country. Mr. McKenzie was on his way to Fort a la Corne where he pays the Indians there their treaty money; he will return by John Smith's Reserve and pay treaty there either today or tomorrow.

The friends of Dr. Porter will regret to learn of the death of his brother Albert who was for a number of years telegraph operator both here and at St. Laurent. 'Ab' left Prince Albert last fall for his home in Nova Scotia where he has had very poor health, but on last accounts he was better and preparing to leave for the west where he had an appointment. Since then he was again taken ill, which resulted in his death on Wednesday last. We extend our sincere sympathy to the Doctor and other members of the family in their bereavement.

Deputy Post Office Inspector Patton arrived by the last mail stage and has established a money order office here. Mr. Patton expressed himself as well pleased with the way in which the deputy postmaster here, Mr. Way, conducts the business of the office; he also says that this is one of the very few offices at which there is seldom, if ever, a mistake made. Money Orders can now be made out here on any money order office in the world, at rates of from ten to fifty cents each, according to the amount. A provision is made that no person can get an order for more than \$100 in one day, made in favor of the same person. The deputy inspector is of the opinion that this will be made a Customs port of entry office very shortly for books, parcels etc.

TOWN COUNCIL.

A special meeting of the council was held on Friday evening last to consider the action of Const. Lealie, of the N. W. M. P., in interfering with the town constable while in the active discharge of his duty. All the members were present and they decided to prosecute Lealie.

The Town Council held a regular meeting on Monday evening last. His Worship Mayor Bain presiding. The councillors present were: Agnew, Davidson, Stewart, Knowles, Johnson and McPhail.

COMMUNICATIONS.

A communication was received from Supt. Perry re disturbance with the town constable and after due consideration by the council the following motion was carried: "That in view of the very definite instructions give by Supt. Perry to the members of F Division regarding their obligation to assist the town constable in every way to preserve the peace in the town, that further proceedings in the case of Const. Lealie be dropped."

J. H. Howard, secretary of the Lorne Agricultural Society, asked the council to re-consider their offer to the society. The council went into committee of the whole on this matter and after they rose reported "that the amount allowed to the Lorne Agricultural Society from the funds of the corporation be given to them on condition that the society place an equal amount in a fund for investment in lands and buildings in the municipality or immediate vicinity this year. The same expenditure to be made in 1888 or 1889."

PETITIONS.

A petition was received from H.B. Garvin and others re improvements in the East End which was referred to the Board of Works.

REPORT.

The Chairman of the Board of Works presented his report and after a great deal of cross firing, in which no one was hurt, the report was adopted.

The president and secretary of the L. A. Society, who had been present to advocate the interests of their society, went on their way rejoicing when the council adjourned.

DUCK LAKE.

As large, if not the largest, wedding ever held in this country, took place on Tuesday morning last when Mr. Jean Parenteau was married to Miss Elsie Fisher, eldest daughter of our esteemed townsman Mr. Ambrose Fisher. During the day and evening dancing was continued and kept up. Over 300 persons took part in the festivities.

Mr. Bourgeois, D. L. S., is here, but your correspondent cannot ascertain on what business. Rumour has it that he is making some plans for a railway.

By some means a report has been going the rounds that Sir John Macdonald would be at Batouche on Sunday next and people are very much excited.

You have no doubt noticed that grain from this district has taken first prize at your exhibition, also bread made from flour ground here. We are only sorry that some of our cattle had not been exhibited.

Our mill has ceased running for three weeks to have necessary repairs made and to put in some new machinery and another run of stones.

The many friends of the Rev. Mr. Mc. Kay, of Snake Plain, will be pleased to hear that his health is greatly improved and he is now recovering fast.

At the rifle range, on Saturday last, the postponed matches from the regular meeting were shot off, the first on the list being the Consolation Match, and was competed in by those members who did not win a prize at the annual meeting over the value of \$2. The prizes in this match were wholly collected by Mr. John Stewart, who deserves great credit for encouraging those who are not among the crack shots. The following riflemen secured prizes in the order named: Const. Carmichael, J. F. A. Stull, John McTaggart, Const. Harper, J. D. Maveety, J. L. Johnson, J. Sinclair, J. Sanderson, T. N. Campbell, W. R. Gunn, H. W. Newlands and S. Brewster. The next was the Hughes Match which was shot at a revolving target, 200 yards distance with Snider rifle, seven shots. The cup, presented by Sheriff Hughes, was won by Sergt. Parker, who made the very good score of 25 points. In the afternoon the team match against Macleod was shot off in which the Saskatchewan association were the winners for the second time with a score of 574 points against 536 points for Macleod.

GRAND UNION LIVERY STABLE.

Opposition is the Life of Trade

A First-class Livery, Feed and Sale Stable

We would like to invite the public when in Prince Albert to give us a call. Our stables are the most central in town—next door to Quaker's Hotel.

We keep the largest and best Livery and Feed Stable in town.

We have a lot of new horses and rigs—ready to meet you at Winnipeg—to hire on reasonable terms.

You will always find good, reliable and accommodating men night and day at our stables to attend to your wants.

All our horses are first-class livery horses; can be driven by ladies; particular care has been taken to purchase horses of that class.

You can always depend on getting the best turnout in town at the Grand Union Stables.

N.B.—We do not advertise in one paper to counteract in another, as that constitutes a falsehood, but we keep the best Livery and Feed Stable—and at the lowest prices—in town.
